- Interactive touchscreens
- LED walls and displays
- Wireless connectivity: wireless presentation and screen-sharing solutions for flexibility and convenience
- Remote control and monitoring for efficient troubleshooting and management
- Robotic cameras
- Cloud-based AV services for scalability and accessibility
- Interpretation

## Interview corner

A designated area during events, conferences, or exhibitions, where experienced journalists, or the hosts can conduct interviews with speakers, or attendees. The area is equipped with microphones, cameras, and lighting.

Interviews may be live-streamed to reach a broader online audience, increasing the event's visibility and engagement.

The footage can be distributed to media and used for promotional purposes on social media, event websites, or in post-event reports and marketing materials.
